

Lisa Fields - 3rd Grade Teacher

In 1970 I moved to Albuquerque from San Diego where I traded swimming in the ocean for riding horses on the ditch bank. I earned my Masters Degree in Elementary Education from the University of New Mexico and spent the next thirty years as a teacher with the Albuquerque Public Schools, a Peace Corps Volunteer in Africa and Romania, an ESL instructor at LADO International College, a mentor teacher with the University of New Mexico, and a swimming instructor. I am blessed to be joining the Cross of Hope family. I am looking forward to being part of this wonderful church/school community. My husband, Joey, and I live in Corrales with our animal menagerie. We love to ride our horses and walk our dogs.
