### **Twenty-Second Sunday after Pentecost**

Today's gospel starts with disciples obsessing over who will be closest to Jesus, leading to Jesus teaching his followers about God's take on importance and power. Here Jesus makes it explicit that the reversal of values in God's community is a direct challenge to the values of the dominant culture, where wielding power over others is what makes you great. When we pray "your kingdom come" we are praying for an end to tyranny and oppression. We pray this gathered around the cross, a sign of great shame transformed to be the sign of great honor and service.

You are created in the image of God from the very beginning. This is the basis for God's justice: Since everyone is made in the image of God, then we need to recognize, honor, and respect the image of God in everyone.

No exceptions. – Fr. Richard Rohr
